PETITION TO WITHDRAW HOLDING OF ABANDONMENT

APPLICANT HEREBY PETITIONS TO WITHDRAW HOLDING OF ABANDONMENT.

I am the current Corresponding Attorney for the subject application, as is established by documentary evidence submitted herein and described herein below. Based on telephone conversations described herein below with Examiner Jeffrey Pwu, Group Art Unit 2143, I believe that an Office communication, which was apparently dated April 20, 2006, and that apparently required a reply within six months, was mailed by the PTO. However, I did not receive the Office communication. I hereby attest to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of a docket record where the nonreceived Office communication would have been entered had it been received and docketed is herein attached as Exhibit

PATENT
09/657,956

AA. More specifically, based on an assumed three month shortened statutory period for reply to the nonreceived Office action, and based on the mailing date indicated by Examiner Pwu, Exhibit AA is a docket report showing all replies docketed for the period from April 20, 2006 through July 20, 2006, as documentary proof of nonreceipt of the Office action. Further evidence is also herein submitted as Exhibits BB, CC and DD, which are described herein below.

Background

I am the current Corresponding Attorney for the subject application. As evidence thereof, I am enclosing as Exhibit BB copies of a request I faxed to the USPTO regarding the correspondence address for the present patent application on 1/21/2005, including a copy of an Auto-Reply Facsimile Transmissions I received back from the USPTO. This customer number was established in September, 2004, and from that date forward the address associated with it has continually been P.O. Box 5307, Austin, Texas 78763.

In reply to my 1/21/2005 request, I never received any correspondence from the USPTO requesting that I take further steps regarding changing the correspondence address, nor did I receive any other reply to these documents from the USPTO other than the Auto-Reply Facsimile Transmission.

An Office action dated 6/29/2006 regarding the present application was mailed by the USPTO to the assignee in San Jose and eventually forwarded to me, which made me aware that the correspondence address had not been changed by the USPTO.

Consequently, on 9/9/2005 I faxed a further request to the USPTO regarding the correspondence address for the present patent application. This request is enclosed herein as Exhibit CC and includes a copy of an Auto-Reply Facsimile Transmission I received back from the USPTO. In reply to this request, I never received any correspondence from the USPTO requesting that I take further steps regarding changing the correspondence address, nor did I receive any other reply to these documents from the USPTO other than the Auto-Reply Facsimile Transmission.

PATENT
09/657,956

On November 30, 2006, I received a telephone message from Examiner Jeffrey Pwu regarding failure to reply to an Office action in this case. After briefly reviewing my files and unsuccessfully attempting to access PTO records in private PAIR, I spoke with Examiner Pwu by telephone later on the same day. Examiner Pwu advised that an Office action had been mailed in response to my most recent communication, that the PTO had not received a reply, and that he was considering issuing a Notice of Abandonment. He asked that I investigate further.

After reviewing my files again I spoke again on December 1, 2006 with Examiner Pwu by telephone and advised him that I have records in my file showing I previously submitted to the USPTO more than one request to change correspondence address and to associate the case with my customer number in private PAIR, so that the Office action in question should have been mailed to me at the address associated with my Customer Number 39,903, and I should have access to the case in private PAIR, but that I never received the mailing. I also advised him that I have never succeeded in my attempts to gain access to information about the case in private PAIR.

In the second telephone conversation on December 1, 2006 with Examiner Pwu, I offered to fax him a copy of the change of correspondence address requests that I had sent to the PTO previously, so that he could weigh this evidence in his decision about issuing a Notice of Abandonment. He indicated that he did not need me to fax those to him yet, and that he would check to see if he might be able to merely reset the period for reply. At this time he also faxed me a copy of the Office action in question, but the copy he sent did not include the front page, which indicates the mailing address and date. Meanwhile, while waiting for his decision, I checked with representatives of the assignee for this patent application, IBM Corporation in San Jose.

On December 6, 2006, I called Examiner Pwu and advised him that representatives of the assignee confirmed to me that the Office action in question had not been received in San Jose. He indicated that he would not be able to merely restart the time for reply. Instead, he would have to issue a Notice of Abandonment. I asked him to fax that to me so that I could include it in a Petition to Withdraw Holding of Abandonment.

PATENT
09/657,956

On December 15, 2006, I left a message for Examiner Pwu indicating that I had not yet received the Notice of Abandonment. On December 18, 2006, I called again and this time reached Examiner Pwu by telephone. He advised me that he had mailed the Notice of Abandonment but had not yet faxed it to me. At my request, he faxed the Notice of Abandonment dated December 8, 2006, to me at that time. It is enclosed herein as Exhibit DD. As you can see, the mailing address on this Notice of Abandonment, International Business Machines Corporation, Almaden Research Center, 650 Harry Road, San Jose, CA 95120, is a mailing address of the assignee, but is not the mailing address associated with my correspondence number, which is P.O. Box 5307, Austin, Texas 78763, as previously stated.

Request for Action

Based on the above facts, I submit that Applicant has not failed to reply to a proper Office communication, and the Examiner's holding of abandonment should be withdrawn at no charge. If this Petition is not granted, Petitioner requests that the Petition should, in the alternative, be considered a Petition to Revive for which Applicant hereby authorizes the USPTO to charge the IBM deposit account indicated on the attached fee sheet.

In addition, please correct the mailing address as previously requested.

Respectfully submitted,

By *Anthony V.S. England*
